SUBMISSION REQUIREMENTS

CAPCA publications are produced using the latest digital technologies. All advertising artwork must be submitted electronically as a PRESS OPTIMIZED PDF, ensuring that all fonts are embedded, the file is of adequate resolution, and uses only CMYK color space (no RGB). Please call for additional information.

NOTE: We will not accept ads in any other format than PRESS OPTIMIZED PDF without prior approval. All ads smaller than a full page must be sized to their correct dimensions. Advertisers submitting artwork the wrong size or in an unacceptable file format will be billed at industry rates for additional production costs. CAPCA ad submissions: sylvia@capca.com.

Bleed & Safety Margins: It is important to keep your text, logos, and other print elements well within the safety margins. Any content that isn't meant to be cut off must stay at least 1/4" inside the trim edge. Backgrounds that are meant to bleed off must extend 1/8" outside the trim edge.

In the absence of written instructions regarding disposition, **materials will be stored for one year from date of last insertion, then destroyed.**

COMMISSION/DISCOUNTS

General and mail-order advertising: 15% to recognized agencies and Sustaining Members. Additional production charges, if any, will be billed to advertiser/agency and are non-commissionable. (Other services are not subject to agency discount.)

Multi-Placement Discount: 5 insertions ordered at same time will receive a 6th placement at no charge, insertions need not be for consecutive issues nor same products.

Exhibitor Discount: Exhibitors at the CAPCA Conference receive a \$500 discount off gross advertising in the **October Issue** of the CAPCA Adviser Magazine.

CANCELLATIONS

Cancellations must be submitted in writing/email prior to the materials closing date for respective issue.

Any cancellations received after Insertion Order deadline will be charged 75% of the Billed Fees.

CONTRACT & COPY REGULATIONS

Our policy is that the advertising agency and/or advertiser are jointly or separately liable for all advertising invoices. Failure to pay will impact future orders.

All advertisements are accepted and published by the publisher on the representation that the advertiser and/or advertising agency are properly authorized to publish the entire contents and subject matter thereof. When advertisements containing the names, pictures and/or testimonials of living persons are submitted for publication, the order to request for the publication thereof shall be deemed to be a representation by the advertiser and/or advertising agency that they have obtained the written consent of the use in the advertisement of the name, picture and/or testimonial of any living person which is contained therein. It is understood that the advertiser and/or advertising agency will indemnify and hold the publisher harmless from and against any loss, expense or other liability resulting from any claims or suits for libel, violation of rights of privacy, plagiarism, copyright infringement and any other claims or suits that may arise out of the publication of such advertisement. All copy, text and illustrations are subject to the publisher's approval before execution of the order and the right is reserved to reject or exclude copy that is unethical, misleading, extravagant, challenging, questionable in character, in bad taste, detrimental to public health or interest, otherwise inappropriate or incompatible with the character of the publication, or that does not meet with the approval of the Federal Trade Commission; whether or not the same has already been accepted and/or published. In the event of such cancellation or rejection by the publisher, the advertising already run shall be paid for or billed at the rate provided for in the order.

The forwarding of an order is construed as an acceptance of all the rates and conditions under which advertising is in place at the time sold.

No conditions, printed or otherwise, appearing on the contract order or copy instructions that conflict with the publisher's policies will be binding on the publisher.

ADJUSTMENT POLICY

The publisher will make every reasonable attempt to ensure best-possible reproduction of advertiser materials, but cannot guarantee perfect match to supplied proofs due to issue make-up, paper stock and mechanical limitations.

The advertiser/agency will be obligated to pay for space ordered if the advertisement is readable, appears in the publication and the publication is delivered to the proclaimed circulation. In any claims against reproduction, publisher's liability will be limited to the error in question (e.g., wrong color/adjustment for color only). Publisher will assume no liability in the event of incorrect advertiser/agency order, late materials, or materials that do not meet mechanical specifications.

The publisher will endeavor to honor position requests, but no adjustments will be made for noncompliance unless the advertiser has agreed to pay the premium for preferred position, in which case publisher's liability is limited to the premium charge.

No adjustments will be made for errors/omissions in editorial matter provided by the publisher as a courtesy to the advertiser (e.g. advertiser index, key code, reader-service number, etc.)
