

**General Information:**

Position Title: **Division Internship Program (March-August)**

Location: Yuma, AZ; Stockton, CA; Fresno, CA; Santa Maria, CA; Kimberly, ID; Kennewick, WA

**Position Summary:**

*The purpose of this position is to give entry level exposure to college students or recent graduates to learn the opportunities and operations of Nutrien Ag Solutions. The intern will spend 50% of their time at branches within the division, learning the operations and culture of the branch while the other 50 % will be spent on trial work. A large portion of the intern's time will be spent promoting Nutrien. The intern will complete a project during the intern period.*

**Key Responsibilities:**

- Weekly projects and assignments based on Nutrien needs which could include:
  - Shadowing established PCAs/Crop Consultants
  - Assisting Field Checkers
  - Assisting Delivery Drivers/ Warehouse staff
  - Learning Fertilizer operations
  - Increasing product awareness by counting inventory with warehouseman
  - Assisting the Customer Service Representatives/Admin Assistants
  - Marketing by key placement of field signs and involvement at local field days
  - Attend company field days
  - Conducting farm trails
  - Working with echelon and NS Tracker
- Conduct regular scheduled evaluations of seed and proprietary product trials.
- Provide assistance to PCAs/Crop Consultants and operational staff at branch locations.
- Assist with Loveland and Proprietary product trails.
- Maintain and observe safe working conditions at branch locations and report any unsafe working conditions to facility manager.

**Objectives:**

1. Obtain experience with the retail operations at Nutrien, project presentation skills, and working in a team environment.
2. Gain experience with regional crops, IPM, pest management, plant nutrition, seed traits and crop technologies.
3. Develop customer relationship skills by working with and observing interactions between PCAs and growers.
4. Positive summer experience to enhance future skills as a PCA

**Other Information:**

**Wage:** Hourly wage will be determined by division and may be subject to experience.

**Student Benefits:** Nutrien will issue a company vehicle to drive during assigned work hours. The vehicle will be available from the time the intern arrives at their assigned branch and the vehicle must be returned to the assigned branch location at the end of each work day.

**Intern Requirements:** Interns will be responsible for proper work attire and must live within a daily driving distance to the Divisional office (housing assistance is not provided). The intern will be required to pass a pre-employment physical and drug screen test and must have a clean driving record.

**How to Apply:** Send your resume to [Breanna.Errorabere@nutrien.com](mailto:Breanna.Errorabere@nutrien.com)
