

Intern - Crop Advisor/Operations Support (Agribusiness - California)

The J.R. Simplot Company is a diverse, privately held organization with roots firmly planted in agriculture and agriculture-related businesses. These endeavors have been around for centuries and will continue to be a vital part of the global economy. **Simplot Grower Solutions currently has Crop Advisor Internships available at our locations in California.**

Simplot Grower Solutions (SGS) Overview: The SGS mission is simple: 'Delivering Solutions to Growers'. With over 90 retail locations, 250 Crop Advisors and a full line of crop inputs, Simplot Grower Solutions is your one-stop resource for agricultural supplies and precision agronomy services.

What's in it for you? This internship opportunity is designed to provide a realistic job preview and lay the solid foundation necessary for future employment as a Simplot Crop Advisor. This is your chance to learn firsthand about agronomic issues that impact yields and profitability and how to best serve the grower's needs in their particular growing area.

Essential Functions:

This internship has been designed to work with multiple SGS locations in the Mid to Northern California Area doing primarily the following:

- Soil sampling, plant sampling, product testing, product applications, and field scouting in production agriculture areas.
- Assisting crop advisors with seed and crop care activities to also include computer input of fertilizer application tracking, scouting reports and other spreadsheets as needed.
- Developing thorough knowledge and understanding of our computer programs, product deliveries, inventory tracking, and safety requirements.
- Assist Area Seed Marketing Advisor in plot trials

Requirements:

- Minimum GPA of 3.0 (preferred)
- Currently enrolled in an accredited university and completed at least freshman year
- Valid driver's license
- A farm background or farm experience is preferred but not required
- Overtime and weekend work during busy season

Employment period: Summer 2019

Please prepare a cover letter outlining your interest and qualifications and submit with your resume via our online application process described above. For best results, please upload your resume as a Microsoft Word or Adobe PDF document.
