NOMINATIONS NEEDED BY MAY 15 - CAPCA ANNUAL AWARDS IN 2024

Since 1975 CAPCA has awarded annual Member of the Year and Contribution to Agriculture award winners at the CAPCA Annual Conference. As we prepare to celebrate the 50th Anniversary of the CAPCA Annual Conference and Agri-Expo, the CAPCA Board wants to invite you to nominate the 2024 CAPCA Member of the Year and Contribution to Ag winners!

In addition to our two traditional awards, the CAPCA Board of Directors has directed an additional award – the CAPCA Advocacy Award – to highlight CAPCAs commitment to and collaborative efforts for Advocacy on behalf of the PCA License and CAPCA Membership. This award will recognize an individual involved in local politics or engaged in the sustainable development of sound pesticide policy in California. Nominations for the newly founded award will come from the CAPCA Advocacy Committee, our work with the Alliance of California Farmers and Ranchers, CAPCA Lobbyist or CAPCA Leadership to celebrate stakeholders working on behalf of the PCA license and aligned industry for continued licensing professionalism, integrated pest management including pesticides, and success in agriculture and green spaces across California.
