MEMBERSHIP RENEWAL

California is facing an unusually high number of invasive fruit fly detections this season. To combat this, the California Department of Food and Agriculture (CDFA), along with the United States Department of Agriculture (USDA) and County Agricultural Commissioners, has implemented local regulatory measures to eradicate and prevent the spread of several fruit fly species.

CE HOURS REPORTED

Members are encouraged to ask their CE course sponsors to use the CE Hours Reported platform to submit their hours. This platform offers a streamlined way to manage and track CE credits, ensuring accurate and timely reporting for licensing requirements. By having sponsors report through CE Hours Reported, members can easily access their CE records, keeping them organized and up-to-date. This approach simplifies the process and helps maintain compliance with professional standards.
