

CAPCA

AT THE CENTER OF PLANT HEALTH

Latest Information from CAPCA

Bioact[®] SD

Stubble Digester & Compost Accelerator

BioAct[®] SD is an innovative biological inoculant that contains specialty selected microorganisms. They produce beneficial enzymes that accelerate the decomposition process in crop residue, compost, and animal manure. **BioAct[®] SD** revitalizes your soil by allowing billions of functional microorganisms and humic acid to reclaim its properties and nutritional value.

PODCAST: ADVICE FOR THE ADVISER

In this episode,
Dr. Marco

Molfini talks about scientific discoveries of previously undescribed species! Listen to this episode as a companion piece to Dr. Molfini's article in The Adviser.

CHAPTER HIGHLIGHTS

"Evening with Industry at Cal Poly was a big hit! We did question and answer panel style and ran out of time before the students ran out of questions. It was great to get so much interest and engagement from the students." - Erin Miller, Central Coast President
